Agency Request

The **agency** requests a FY 2016 budget totaling \$178,171, all from the Board of Barbering Fee Fund, an increase of \$16,290, or 10.1 percent, above the FY 2015 revised estimate. The budget increases in order to cover increases in the following: KPERS retirement and death and disability employer contributions; state leave payment assessment; monumental building surcharge; and email services.

According to the agency, expenditure increases are to perform more potential exams, contingent on the founding of several new barbering schools that may emerge once Kansas Administrative Regulation (K.A.R.) 61-3-7 and K.A.R 61-3-22 are amended to allow barbering schools to be located in buildings with businesses that do not concern barbering education. The agency states that another six barber colleges may be operational by late FY 2015 and FY 2016, increasing the number of graduates from roughly 100 to 300 students per year, thereby driving up the expenditures needed to license the graduating barbers.

Governor's Recommendation

The **Governor** recommends \$175,789, all from the Board of Barbering Fee Fund, a decrease of \$2,382, or a 1.3 percent, below the agency's FY 2016 request. The Governor concurs with the agency's request, with the following adjustments:

- A reduction of \$2,382, with no dollars coming from the State General Fund, to reduce employer contributions for state employee health insurance.
- An increase for the amount withheld from the agency's fee fund revenue from 10.0 percent or \$100,000 to 20.0 percent or \$200,000 and deposited in the State General Fund to reimburse the State for administrative services described under KSA 75-3170a. For this agency, that amount is estimated at \$27,829 for FY 2016.
