TO: Members, Child Welfare System Task Force
FROM: Kristen Rottinghaus, Principal Auditor
DATE: August 10, 2017
SUBJECT: DCF Responses to LPA Quarterly Follow-Up Process

At the August 4, 2017 meeting, members asked to receive a copy of the Department for Children and Families' (DCF) cumulative responses to our quarterly follow-up process for the three-part series of foster care performance audits, *Foster Care and Adoption in Kansas: Reviewing Various Issues Related to the State's Foster Care and Adoption System*. We have attached two tables for your review. The first table shows DCF's quarterly responses to Part 1 of the audit, which was released in July 2016. The second table shows DCF's quarterly response to Part 3 of the audit, which was released in April 2017. Part 2 of the audit did not include any recommendations and therefore did not require DCF to submit follow-up information. Once a recommendation has been completed, LPA does not require further follow-up information. Completed recommendations are shown as grey boxes in the attached tables.

Please let me know if you have any questions about this information.

Sincerely,

Kristen Rottinghaus
Principal Auditor
