ECONOMIC IMPACT STATEMENT
K.A.R. 92-14-6

I. Summary of Regulation to be Adopted.

K.A.R. 92-14-6 clarifies that the retailer must record the user's permit number and name on the sales invoice if Liquefied Petroleum Fuel Tax is not collected.

II. Reason or Reasons the Adopted Regulation is Required, Including Whether or not the Regulation is Mandated by Federal Law.

Previously the regulation stated the Liquefied Petroleum Fuel Tax shall not be collected on the sale when the customer has a permit, the user's permit number and name shall be recorded on the sales invoice. The change is to allow for those situations and only collect permit holders information when tax is not charged.

This regulation is not mandated by federal law.

III. Anticipated Economic Impact upon the Kansas Department of Revenue.

The change of this regulation would result in no economic impact to the Kansas Department of Revenue.

IV. Anticipated Financial Impact upon Other Government Agencies and upon Private Business or Individuals.

V. Description of any Less Costly or Less Intrusive Methods that were Considered by the Department of Revenue for Achieving the State Purpose of the Regulation and the Reason that those Methods were Rejected in Favor of the Adopted Regulation.
