A public hearing will be conducted at 1:30 p.m., April 14, 2016, in the third floor conference room, Kansas Insurance Department, 420 S.W. 9th, Topeka, Kansas, to consider the adoption of a proposed rule and regulation.

The 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to Diane Minear, Kansas Insurance Department, 420 S.W. 9th, Topeka, Kansas, 66612-1678, via facsimile at 785-291-3190, or via email at [dminear@ksinsurance.org](mailto:dminear@ksinsurance.org). A summary of the proposed regulation and its economic impact follows.

**K.A.R. 40-4-34. Accident and health insurance; coordination of benefits.**

This amendment to the existing regulation adds individual health insurance plans sold after 1-1-2014 to the list of plan types that can coordinate benefits. This amendment will also save insurers money in the form of claims that will not be paid more than once for the same service.

There will be no economic impact on the Kansas Insurance Department or other governmental agencies. Consumers may be charged lower health insurance premium rates due to fewer claims paid by insurers.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request any proposed regulation and the economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least 5 working days in advance by contacting Diane Minear at (785) 296-2676 or via email at [dminear@ksinsurance.org](mailto:dminear@ksinsurance.org).
