Wildlife, Parks, and Tourism Commission

Notice of Public Hearing

A public hearing will be conducted by the Wildlife, Parks, and Tourism Commission at 6:30 p.m., Thursday, March 28, 2019 at the Capitol Plaza Hotel, Emerald I & II, 1717 SW Topeka Blvd., Kansas to consider the approval and adoption of proposed regulations of the Kansas Department of Wildlife, Parks, and Tourism.

A general discussion and workshop meeting on business of the Wildlife, Parks, and Tourism Commission will begin at 1:30 p.m., March 28 at the location listed above. The meeting will recess at approximately 5:00 p.m. then resume at 6:30 p.m. at the same location for the regulatory hearing and more business. There will be public comment periods at the beginning of the afternoon and evening meeting for any issues not on the agenda and additional comment periods will be available during the meeting on agenda items. Old and new business may also be discussed at this time. If necessary to complete business matters, the Commission will reconvene at 9:00 a.m. March 29 at the location listed above.

Any individual with a disability may request accommodation in order to participate in the public meeting and may request the meeting materials in an accessible format. Requests for accommodation to participate in the meeting should be made at least five working days in advance of the meeting by contacting Sheila Kemmis, Commission Secretary, at (620) 672-5911. Persons with a hearing impairment may call the Kansas Commission for the Deaf and Hard of Hearing at 1-800-432-0698 to request special accommodations.

This 60-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed administrative regulation.

All interested parties may submit written comments prior to the hearing to the Chairman of the Commission, Kansas Department of Wildlife, Parks, and Tourism, 1020 S. Kansas Ave, Suite 200, Topeka, KS 66612 or to sheila.kemmis@ks.gov if electronically. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to the adoption of the proposed regulations. During the hearing, all written and oral comments submitted by interested parties will be considered by the commission as a basis for approving, amending and approving, or rejecting the proposed regulations.

The regulation that will be heard during the regulatory hearing portion of the meeting are as follows:

K.A.R. 115-2-1. This permanent regulation establishes fees. The proposed amendments would remove fees for duplicate issues as the agency transitions towards electronic licensing.

Economic Impact Summary: The proposal would reduce fees in the amount of approximately \$126,000 annually to the wildlife fee fund based on previous duplicate issuances. No other substantial economic impact to the department, other state agencies, small businesses, or individual members of the public is anticipated.

K.A.R. 115-2-3. This permanent regulation establishes camping, utility and other fees. The proposed amendments would remove fees for duplicate issues as the agency transitions towards electronic licensing.

Economic Impact Summary: The proposal would reduce fees in the amount of approximately \$1500 annually to the park fee fund based on previous duplicate issuances. No other substantial economic impact to the department, other state agencies, small businesses, or individual members of the public is anticipated.

K.A.R. 115-2-4. This permanent regulation establishes boating fees. The proposed amendments would remove fees for duplicate issues as the agency transitions towards electronic licensing.

Economic Impact Summary: The proposal would reduce fees in the amount of approximately \$13,500 annually to the boating fee fund based on previous duplicate issuances. No other substantial economic impact to the department, other state agencies, small businesses, or individual members of the public is anticipated.

K.A.R. 115-3-2. This permanent regulation establishes legal equipment, taking methods, and possession requirements for rabbits, hares and squirrels. The proposed amendments would clarify that lures, decoys and calls may be used when hunting these species.

Economic Impact Summary: No substantial economic impact to the department, other state agencies, small businesses, or individual members of the public is anticipated.

K.A.R. 115-4-4. This permanent regulation establishes legal equipment and taking methods for big game. The proposed amendments would allow the use of a new bullet type for taking big game.

Economic Impact Summary: No substantial economic impact to the department, other state agencies, small businesses, or individual members of the public is anticipated.

K.A.R. 115-4-11. This permanent regulation establishes requirements for big game and wild turkey applications. The proposed amendments would align application dates for resident big game permit drawings.

Economic Impact Summary: No substantial economic impact to the department, other state agencies, small businesses, or individual members of the public is anticipated.

K.A.R. 115-8-2. This permanent regulation establishes requirements for blinds, stands, and decoys on department lands and waters. The proposed amendments would remove the requirement that portable blinds may not be left overnight.

Economic Impact Summary: No substantial economic impact to the department, other state agencies, small businesses, or individual members of the public is anticipated.

K.A.R. 115-9-5. This permanent regulation establishes effective dates for hunting,

115-4-4. Big game; legal equipment and taking methods. (a) Hunting equipment for the taking of big game during a big game archery season shall consist of the following:

(1) Archery equipment.

(A) No bow shall have a mechanical device that locks the bow at full or partial draw.

(B) No bow or arrow shall have any electronic device attached to the bow or arrow that controls the flight of the arrow. Devices that may be attached to a bow or arrow shall include lighted pin, dot, or holographic sights; illuminated nocks; rangefinders; film or video cameras; and radio-frequency location devices.

(C) Each arrow used for hunting shall be equipped with a broadhead point incapable of passing through a ring with a diameter of three-quarters of an inch when fully expanded. A big game hunter using archery equipment may possess non-broadhead-tipped arrows while hunting if the arrows are not used to take or attempt to take big game animals.

(2) Crossbows and locking draws as authorized under K.A.R. 115-18-7.

(3) Crossbows using arrows that are equipped with broadhead points incapable of passing through a ring with a diameter of three-quarters of an inch when fully expanded. A big game hunter using crossbow equipment may possess non-broadhead-tipped arrows while hunting if the arrows are not used to take or attempt to take big game animals.

No crossbow or arrow shall have any electronic device attached to the crossbow or arrow that controls the flight of the arrow. Devices that may be attached to a crossbow or arrow shall include lighted pin, dot, or holographic sights; illuminated nocks; rangefinders; film or video cameras; and radio-frequency location devices.

115-4-11. Big game and wild turkey permit applications. (a) General application provisions.

(1) Unless otherwise authorized by law or regulation, an individual shall not apply for or obtain more than one antlered or horned big game or wild turkey permit for each big game species or wild turkey, except when the individual is unsuccessful in a limited quota drawing and alternative permits for the species are available at the time of subsequent application or when the individual is the final recipient of a commission permit.

(2) Unless otherwise authorized by law or regulation, each big game or wild turkey permit application shall be signed by the individual applying for the permit.

(3) Subject to any priority draw system established by this regulation, if the number of permit applications of a specific species and type received by the designated application deadline exceeds the number of available permits of that species and type, a random drawing to issue permits of that species and type shall be conducted by the secretary.

(4) A hunt-on-your-own-land permit shall not be tabulated in a priority draw system if the permit would otherwise reduce the applicant's odds of receiving a big game permit through that draw system.

(b) Deer permit applications.

(1) Subject to any priority draw system established by this subsection, in awarding deer permits in units having a limited number of permits, the first priority shall be given to those applicants who did not receive, in the previous year, a deer permit that allowed the taking of an antlered deer. All other deer permit applicants shall be given equal priority.

(2) In awarding a limited number of deer permits by a priority draw system, the first priority shall be given to those individuals who have earned the highest number of preference points. Preference points shall be awarded as follows:

(A) One point shall be awarded to an individual for each year the individual is unsuccessful in obtaining, by a priority draw system, a deer permit that allows the taking of an antlered deer.

(B) If the individual fails to make at least one application or purchase one preference point within a period of five consecutive years, all earned points shall be lost.

(C) If an applicant obtains, by a priority draw system, a deer permit that allows the taking of an antlered deer, all earned points shall be lost.

(D) If the number of applicants with the most preference points exceeds the number of permits for specified units or permit types, then a drawing shall be held to determine the successful applicants.

(E) If an individual desires to apply for a preference point for a deer permit that allows the taking of antlered deer and not receive a permit, the person may apply for and receive a preference point by paying the proper application or preference point fee and submitting an application during the application period specified in this regulation. No individual may apply for more than one preference point in the same calendar year, and no individual shall apply for a preference point in the same calendar year as the calendar year in which the individual is applying for a permit.

(3) If an individual is a final recipient of a commission deer permit, the individual shall not possess more than one regular antlered deer permit and one commission deer permit.

(4) Applications for nonresident limited-quota antlered deer permits shall be accepted in the Pratt office from the earliest date that applications are available through the last Friday of April each year. Any nonresident applicant may select, at the time of application, one deer management unit and up to one adjacent management unit where that permit shall be valid.

(7) Each resident applicant for either-species, either-sex muzzleloader or firearm deer permits shall select, at the time of application, the unit where the permit shall be valid. The west unit permit shall be valid in units 1, 2, 17, and 18. The east unit permit shall be valid in units 3, 4, 5, 7, and 16.

(8) Applications for antlerless white-tailed deer permits shall be accepted at designated locations from the earliest date that applications are available through January 30 of the following year.

(9) Each nonresident applicant for a regular deer permit shall have purchased a nonresident hunting license before submitting the application or shall purchase a nonresident hunting license when submitting the application.

(c) Firearm antelope permit applications. In awarding firearm antelope permits, the first priority shall be given to those individuals who have earned the highest number of preference points. Preference points shall be awarded as follows:

(1) One point shall be awarded to an individual for each year the individual is unsuccessful in obtaining a firearm antelope permit.

I. Brief description of the proposed rule(s) and regulation(s).

This proposed amendments to the regulation would reduce the price of duplicates from \$10 to no cost.

II. Statement by the agency if the rule(s) and regulation(s) is mandated by the federal government and a statement if approach chosen to address the policy issue is different from that utilized by agencies of contiguous states or the federal government. *(If the approach is different, then include a statement of why the Kansas rule and regulation proposed is different)*

This is not a federal mandate. Missouri, Oklahoma, Nebraska and Colorado all have varying fees dealing with duplicates.

III. Agency analysis specifically addressing following:

A. The extent to which the rule(s) and regulation(s) will enhance or restrict business activities and growth;

The proposed amendments will not enhance or restrict business activities or growth.

B. The economic effect, including a detailed quantification of implementation and compliance costs, on the specific businesses, sectors, public utility ratepayers, individuals, and local governments that would be affected by the proposed rule and regulation and on the state economy as a whole;

The proposed amendments will reduce costs for constituents seeking duplicate issuances of the Department.

C. Businesses that would be directly affected by the proposed rule and regulation;

None.

D. Benefits of the proposed rule(s) and regulation(s) compared to the costs;

The proposed benefit is that the public will be able to get duplicates of issuances at no cost. The Department feels this is prudent as the conversion to electronic licensing occurs.

Statement by the agency if the rule(s) and regulation(s) is mandated by the federal government and a statement if approach chosen to address the policy issue is different from that utilized by agencies of contiguous states or the federal government. (If the approach is different, then include a statement of why the Kansas rule and regulation proposed is different)

This is not a federal mandate. Missouri, Oklahoma, Nebraska and Colorado all have varying regulations dealing with duplicate issuance production.

III. Agency analysis specifically addressing following:

A. The extent to which the rule(s) and regulation(s) will enhance or restrict business activities and growth;

The proposed amendments will not enhance or restrict business activities or growth.

B. The economic effect, including a detailed quantification of implementation and compliance costs, on the specific businesses, sectors, public utility ratepayers, individuals, and local governments that would be affected by the proposed rule and regulation and on the state economy as a whole;

The proposed amendments will have no negative economic effect on any sector.

C. Businesses that would be directly affected by the proposed rule and regulation;

None.

D. Benefits of the proposed rule(s) and regulation(s) compared to the costs;

The proposed benefit is that the public may obtain a no cost replacement park permit as the agency moves to electronic forms of licensing and permitting.
