

Wildlife, Parks, and Tourism Commission

Notice of Public Hearing

A public hearing will be conducted by the Wildlife, Parks, and Tourism Commission at 6:30 p.m., Thursday, March 26, 2020 at the Kansas State Historical Society and Museum, 6425 SW 6th Ave, Topeka, Kansas to consider the approval and adoption of the proposed regulations of the Kansas Department of Wildlife, Parks, and Tourism.

A general discussion and workshop meeting on the business of the Wildlife, Parks, and Tourism Commission will begin at 1:30 p.m., March 26 at the location listed above. The meeting will recess at approximately 5:00 p.m. and then resume at 6:30 p.m. at the same location for the regulatory hearing and more business. There will be public comment periods at the beginning of the afternoon and evening meeting for any issues not on the agenda and additional comment periods will be available during the meeting on agenda items. Old and new business may also be discussed at this time. If necessary to complete business matters, the Commission will reconvene at 9:00 a.m. March 27 at the location listed above.

Any individual with a disability may request accommodation in order to participate in the public meeting and may request the meeting materials in an accessible format. Requests for accommodation to participate in the meeting should be made at least five working days in advance of the meeting by contacting Sheila Kemmis, Commission Secretary, at (620) 672-5911. Persons with a hearing impairment may call the Kansas Commission for the Deaf and Hard of Hearing at 1-800-432-0698 to request special accommodations.

This 30-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed administrative regulations.

All interested parties may submit written comments prior to the hearing to the Chairman of the Commission, Kansas Department of Wildlife, Parks, and Tourism, 1020 S. Kansas Ave., Suite 200, Topeka, KS 66612 or to sheila.kemmis@ks.gov if electronically. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to the adoption of the proposed regulations. During the hearing, all written and oral comments submitted by interested parties will be considered by the commission as a basis for approving, amending and approving, or rejecting the proposed regulations.

The regulation, in addition to the previously published notice, that will be heard during the regulatory hearing portion of the meeting is as follows:

K.A.R. 115-25-7. This exempt regulation sets the season, bag limit, and permits for antelope. The proposed version of the regulation would adjust the season dates and permit numbers for the new year.

Economic Impact Summary: The proposed version of the regulation is expected to generate \$36,532 to the agency, all of which would accrue to the wildlife fee fund and generate a corresponding collateral economic impact to the State of Kansas estimated at \$940,512. Otherwise, no substantial negative economic impact to the department, other state agencies, small businesses, or individual members of the public is anticipated.

Submit a hard copy of the proposed rule(s) and regulation(s) and any external documents that the proposed rule(s) and regulation(s) would adopt, along with the following to: Division of the Budget
900 SW Jackson, Room 504-N
Topeka, KS 66612

I. Brief description of the proposed rule(s) and regulation(s).

This proposed version of the regulation sets the seasons for antelope hunting in Kansas. The agency is proposing a reduction in 24 rifle and muzzleloader permits from the previous season. Archery permits are unlimited.

II. Statement by the agency if the rule(s) and regulation(s) is mandated by the federal government and a statement if approach chosen to address the policy issue is different from that utilized by agencies of contiguous states or the federal government. (If the approach is different, then include a statement of why the Kansas rule and regulation proposed is different)

This is not a federal mandate. Oklahoma, Nebraska and Colorado all have varying regulations dealing with pronghorn hunting seasons and requirements. Missouri does not have a pronghorn season. The season structure is generally the same as last season.

III. Agency analysis specifically addressing following:

A. The extent to which the rule(s) and regulation(s) will enhance or restrict business activities and growth;

The proposed version of the regulation will not enhance or restrict business activities and growth.

B. The economic effect, including a detailed quantification of implementation and compliance costs, on the specific businesses, sectors, public utility ratepayers, individuals, and local governments that would be affected by the proposed rule and regulation and on the state economy as a whole;

The proposed version of the regulation could have a collateral positive economic impact on grocery stores, hotels and motels, outfitters, service stations, etc.

C. Businesses that would be directly affected by the proposed rule and regulation;

Outfitters or landowners.

D. Benefits of the proposed rule(s) and regulation(s) compared to the costs;

The proposed version of the regulation establishes various pronghorn seasons. Without the regulation, pronghorn populations will rise and negative human-wildlife conflicts will occur. Additionally, the corresponding positive economic impact to Kansas would not occur without the season.

E. Measures taken by the agency to minimize the cost and impact of the proposed rule(s) and regulation(s) on business and economic development within the State of Kansas, local government, and individuals;

There are no negative costs and impacts on businesses associated with this proposal.

F. An estimate, expressed as a total dollar figure, of the total annual implementation and compliance costs that are reasonably expected to be incurred by or passed along to business, local governments, or members of the public.

The sale of antelope hunting permits to the public generates approximately \$36,532 to the agency, all of which accrues to the wildlife fee fund, based on 2019 permit sales.

An estimate, expressed as a total dollar figure, of the total implementation and compliance costs that are reasonably expected to be incurred by or passed along to business, local governments, or members of the public.

The sale of antelope hunting permits to the public generates approximately \$36,532 to the agency, all of which accrues to the wildlife fee fund, based on 2019 permit sales.

Do the above total implementation and compliance costs exceed \$3.0 million over any two-year period?

YES NO

Give a detailed statement of the data and methodology used in estimating the above cost estimate.

The total number of antelope hunting permits sold was 582 and the total of preference points purchased was 761 in 2019. This generates approximately \$36,532 for the agency, all of which accrues to the wildlife fee fund, and is paid by user fees. Additionally, each individually identifiable antelope hunter (582) goes 11 days afield per year and spends approximately \$1616 per year, generating \$940,512 for the Kansas economy, based on economic studies provided by the USFWS.

Prior to the submission or resubmission of the proposed rule(s) and regulation(s), did the agency hold a public hearing if the total implementation and compliance costs exceed \$3.0 million over any two-year period to find that the estimated costs have been accurately determined and are necessary for achieving legislative intent? If applicable, document when the public hearing was held, those in attendance, and any pertinent information from the hearing.

YES NO

The agency held public hearings on this regulation on September 19 in Great Bend, where 5 members of the public signed the

attendance roster, on November 14 in Scott City, where 8 members of the public signed the attendance roster, on January 9 in Iola, where 14 members of the public signed the attendance roster, and will hold the public hearing on March 26 in Topeka..

- G. If the proposed rule(s) and regulation(s) increases or decreases revenues of cities, counties or school districts, or imposes functions or responsibilities on cities, counties or school districts that will increase expenditures or fiscal liability, describe how the state agency consulted with the League of Kansas Municipalities, Kansas Association of Counties, and/or the Kansas Association of School Boards.**

Not applicable.

- H. Describe how the agency consulted and solicited information from businesses, associations, local governments, state agencies, or institutions and members of the public that may be affected by the proposed rule(s) and regulation(s).**

News releases to every newspaper in the state, discussion at prior public hearings and meetings which are broadcast online, publication in the Kansas Register and publication on the Department's website.

- I. For environmental rule(s) and regulation(s) describe the costs that would likely accrue if the proposed rule(s) and regulation(s) are not adopted, as well as the persons would bear the costs and would be affected by the failure to adopt the rule(s) and regulation(s).**

Not applicable.
