

Wildlife and Parks Commission
Notice of Public Hearing

A virtual public hearing will be conducted by video conferencing by the Wildlife and Parks Commission at 3:30 p.m., Friday, May 27, 2022, to consider the approval and adoption of proposed administrative regulations of the Kansas Department of Wildlife and Parks. Instructions on how to join the virtual meeting are included below for any individuals wishing to join.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Sheila Kemmis, Commission secretary, at (620) 672-5911. Persons with a hearing impairment may call the Kansas Commission for the Deaf and Hard of Hearing at 1-800-432-0698 to request special accommodations.

This 30-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed administrative regulations.

All interested parties may submit written comments prior to the hearing to the Chairman of the Commission, Kansas Department of Wildlife and Parks, 1020 S. Kansas Ave., Suite 200, Topeka, KS 66612 or to Sheila.kemmis@ks.gov if submitted electronically. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to the adoption of the proposed regulations. During the hearing, all written and oral comments submitted by interested parties will be considered by the commission as a basis for approving, amending and approving, or rejecting the proposed regulations.

The regulations that will be heard at the regulatory hearing are as follows:

K.A.R. 115-25-7. This exempt regulation establishes antelope open season dates for the 2022 archery, firearm and muzzleloader seasons, bag limit and number of permits per unit.

Economic Impact Summary: The proposed regulation is not anticipated to have any appreciable economic impact on the department, other agencies, or the public.

K.A.R. 115-25-8. This exempt regulation establishes the elk open season dates for the 2022/2023 archery, firearm and muzzleloader seasons, bag limit and number of permits per unit and subunit.

Economic Impact Summary:

The proposed regulation is not expected to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-25-9. This exempt regulation establishes the deer open season dates for the 2022/2023 archery, firearm, and muzzleloader seasons, bag limits and number of permits per unit.

Economic Impact Summary:

The proposed regulation is not expected to have any appreciable economic impact on the department, other agencies or the public.

Copies of the complete text of the regulations and their respective economic impact statements may be obtained by writing the chairman of the Commission at the address above, electronically on the department's website at www.kdwp.state.ks.us, or by calling (785) 296-2281.

115-25-9. Deer; open season, bag limit, and permits. (a) The open season for the taking of deer shall be as follows:

(1) Archery season.

(A) The archery season in all deer management units shall be September 12, 2022 through December 31, 2022.

(B) Archery deer permits also shall be valid during the portion of the extended firearm season beginning on January 1, 2023 and extending through the last open day in units open during an extended firearm season and shall be valid with any legal equipment authorized during a firearm season, but shall be valid only for antlerless white-tailed deer during those dates.

(C) The number of archery deer permits shall be based on a review of deer population indices, biological and ecological data, history of permit use and harvest rates, public input, and other relevant information.

(D) The urban antlerless-only white-tailed deer archery season shall begin on January 23, 2023 and extend through January 31, 2023 in all units designated as an urban deer management unit.

(2) Firearm season.

(A) The regular firearm season dates in all deer management units shall be November 30, 2022 through December 11, 2022.

(B) The pre-rut white-tailed deer antlerless-only season in all deer management units shall be October 8, 2022 through October 10, 2022.

(D) The number of firearm deer permits for each management unit shall be based on a review of deer population indices, biological and ecological data, history of permit use and harvest rates, public input, and other relevant information.

(3) Muzzleloader-only season.

(A) The muzzleloader-only season in all deer management units shall be September 12, 2022 through September 25, 2022. Muzzleloader deer permits shall also be valid during established firearm seasons using muzzleloader equipment, except that during the portion of the extended firearm season beginning on January 1, 2023 and extending through the last open day in units open during an extended firearm season, these permits shall be valid with any legal equipment authorized during a firearm season. During an extended firearm season, only muzzleloader deer permits for deer management units open during these dates shall be valid, and only for antlerless white-tailed deer.

(B) The number of muzzleloader deer permits issued for each management unit shall be based on a review of deer population indices, biological and ecological data, history of permit use and harvest rates, public input, and other relevant information.

(4) Season for designated persons.

(A) The season for designated persons to hunt deer shall be September 3, 2022 through September 11, 2022 in all deer management units.

(B) Only the following persons may hunt during this season:

(i) Any person 17 years of age or younger, only while under the immediate supervision of an adult who is 18 years of age or older; and

(ii) any person with a permit to hunt from a vehicle issued according to K.A.R. 115-18-4 or a disability assistance permit issued according to K.A.R. 115-18-15.

(C) All resident and nonresident deer permits shall be valid during this season.

(D) All persons hunting during this season shall wear blaze orange according to K.A.R. 115-4-4.

(5) Extended firearm seasons.

(A) Each unfilled deer permit valid in unit 6, 8, 9, 10, or 17, as applicable, shall be valid during an extended antlerless-only firearm season beginning on January 1, 2023 and extending through January 8, 2023 in those units.

(B) Each unfilled deer permit valid in unit 1, 2, 3, 4, 5, 7, 11, 14, or 16, as applicable, shall be valid during an extended antlerless-only firearm season beginning January 1, 2023 and extending through January 15, 2023 in those units.

(C) Each unfilled deer permit valid in unit 10A, 12, 13, 15, or 19, as applicable, shall be valid in an extended antlerless-only firearm season beginning January 1, 2023 and extending through January 22, 2023 in those units.

(D) Only antlerless white-tailed deer may be taken.

(E) Permits restricted to a specific unit shall remain restricted to that unit during the extended firearm season.

(F) Equipment legal during a firearm season shall be authorized with any permit.

(b) Unlimited resident hunt-on-your-own-land, special hunt-on-your-own-land, and nonresident hunt-on-your-own-land deer permits shall be authorized for all units. These permits also shall be valid during the portion of the extended firearm season beginning on January 1,

2023 and extending through the last open day in units open during an extended or special extended firearm season, but shall be valid only for antlerless white-tailed deer during an extended or special extended firearm season.

(c) Any individual may apply for and obtain multiple deer permits, subject to the following limitations:

(1) Any individual may apply for or obtain no more than one deer permit that allows the taking of an antlered deer, except when the individual is unsuccessful in a limited quota drawing and alternative permits for antlered deer are available at the time of subsequent application.

(2) Any individual may obtain no more than five antlerless white-tailed deer permits. One antlerless white-tailed deer permit shall be valid statewide, except in unit 18, including lands managed by the department. Four additional antlerless white-tailed deer permits shall be valid in units 1, 2, 3, 4, 5, 7, 10A, 11, 12, 13, 14, 15, 16, and 19 on lands not managed by the department, except Berentz-Dick, and Elk City Wildlife Areas.

(3) Any resident may obtain no more than one either-species, either-sex permit through the application period described in K.A.R. 115-4-11.

(4) Nonresidents shall be eligible to obtain antlerless white-tailed deer permits. Otherwise, a nonresident shall be eligible to apply for and obtain only those permits designated as nonresident deer permits.

(5) No resident or nonresident shall purchase any deer permit that allows the taking of antlerless-only deer without first having obtained a deer permit that allows the taking of antlered deer, unless the antlerless-only deer permit is purchased after December 30, 2022.

900 SW Jackson, Room 504-N
Topeka, KS 66612

I. Brief description of the proposed rule(s) and regulation(s).

This exempt regulation establishes antelope open season, bag limits, and permits. The proposed version of the regulation would adjust season dates for the coming season and reduce the number of firearm permits by two.

II. Statement by the agency if the rule(s) and regulation(s) is mandated by the federal government and a statement if approach chosen to address the policy issue is different from that utilized by agencies of contiguous states or the federal government. (If the approach is different, then include a statement of why the Kansas rule and regulation proposed is different)

This regulation is not mandated by the federal government. The department's policy is derived by a similar method to contiguous states.

III. Agency analysis specifically addressing following:

A. The extent to which the rule(s) and regulation(s) will enhance or restrict business activities and growth;

This proposed regulation will not restrict business activities. Deer hunting activity typically benefits local rural economies.

B. The economic effect, including a detailed quantification of implementation and compliance costs, on the specific businesses, sectors, public utility ratepayers, individuals, and local governments that would be affected by the proposed rule and regulation and on the state economy as a whole;

This proposed amendment to the regulation is not anticipated to have any appreciable implementation or compliance cost on any specific business or sector, ratepayer, individual, or local government; nor that on the state economy as a whole.

C. Businesses that would be directly affected by the proposed rule and regulation;

Hunting outfitter businesses may be positively affected.

D. Benefits of the proposed rule(s) and regulation(s) compared to the costs;

Not applicable.

Do the above total implementation and compliance costs exceed \$3.0 million over any two-year period?

YES ☐ NO ☒

Give a detailed statement of the data and methodology used in estimating the above cost estimate.

No methodology was required.

Prior to the submission or resubmission of the proposed rule(s) and regulation(s), did the agency hold a public hearing if the total implementation and compliance costs exceed \$3.0 million over any two-year period to find that the estimated costs have been accurately determined and are necessary for achieving legislative intent? - E. Measures taken by the agency to minimize the cost and impact of the proposed rule(s) and regulation(s) on business and economic development within the State of Kansas, local government, and individuals;

No agency actions to minimize cost or impact are required.

- F. An estimate, expressed as a total dollar figure, of the total annual implementation and compliance costs that are reasonably expected to be incurred by or passed along to business, local governments, or members of the public.

\$0

An estimate, expressed as a total dollar figure, of the total implementation and compliance costs that are reasonably expected to be incurred by or passed along to business, local governments, or members of the public.

\$0

Do the above total implementation and compliance costs exceed \$3.0 million over any two-year period?

YES ☐ NO ☒

Give a detailed statement of the data and methodology used in estimating the above cost estimate.

No methodology was required.

Prior to the submission or resubmission of the proposed rule(s) and regulation(s), did the agency hold a public hearing if the total implementation and compliance costs exceed \$3.0 million over any two-year period to find that the estimated costs have been accurately determined and are necessary for achieving legislative intent? If applicable, document when the public hearing was held, those in attendance, and any pertinent information from the hearing.

YES ☐ NO ☒

- G. If the proposed rule(s) and regulation(s) increases or decreases revenues of cities, counties or school districts, or imposes functions or responsibilities on cities, counties or school districts that will increase expenditures or fiscal liability, describe how the state agency consulted with the League of Kansas Municipalities, Kansas Association of Counties, and/or the Kansas Association of School Boards.

Not applicable.

- H. Describe how the agency consulted and solicited information from businesses, associations, local governments, state agencies, or institutions and members of the public that may be affected by the proposed rule(s) and regulation(s).**

Although the proposed regulation does not qualify as having a \$3 million implementation or compliance cost over two years as describe in paragraph F above, public hearings were noticed and held on the proposed regulation, at which the changes were reviewed and discussed by agency staff and the Kansas Wildlife and Parks Commission.

- I. For environmental rule(s) and regulation(s) describe the costs that would likely accrue if the proposed rule(s) and regulation(s) are not adopted, as well as the persons would bear the costs and would be affected by the failure to adopt the rule(s) and regulation(s).**

Not applicable.
