

DIRECTIONS FOR LOCAL INPUT CONFEREES

Joint Legislative Transportation Vision Task Force, 2018 Interim

Agenda

Anyone wishing to testify before the Joint Legislative Transportation Vision Task Force must contact the Kansas Legislative Research Department (KLRD) to ask to be placed on the agenda. Deadlines are listed on p. 2. The Co-chairpersons determine what items will be discussed at any meeting.

Testimony

Testimony is to be provided in written form, in hard copy and in .pdf format, prior to the meeting. Any conferee wishing to testify orally must also provide written testimony.

Written testimony. All written testimony must include your name, your affiliation (if any), your contact information, and the date and location of the meeting at which the testimony is to be presented, at the top of the first page. Please add an identifier to subsequent pages.

Please limit your written testimony to no more than 4 pages.

A .pdf copy of your written testimony **MUST** be emailed to KLRD staff (as a group) by the deadline listed on p. 2 for the meeting at which you will testify.

Paper copies of your testimony must be provided in addition to the .pdf copy. Bring 70 paper copies to the meeting and give them to KLRD staff.

Oral testimony. The Co-chairpersons will determine how much meeting time is available for testimony. Please plan on oral testimony taking no more than 10 minutes. Time for each person testifying may be limited by the Co-chairpersons at their discretion.

Notify staff as early as possible and no later than the deadline below for asking to be included in the agenda if you wish to provide any multi-media presentation. Internet access may not be available, depending on the venue.

Please remember that information provided to or discussed by the Task Force becomes a public record and will be published on the Legislature's website (<http://www.kslegresearch.org/KLRD-web/Committees/Committees-JtLegTrnsprtnVisionTF.html> under the Minutes tab).
