

Administration

Consequences of Not Funding this Program

- Lack of oversight of KDOR core functions.
- Inability to adhere to State policies and procedures for accounting, procurement, and personnel management.
- Unable to handle administrative and court matters and legal analysis in-house.
- Reduced ability to manage vital tax, vehicle, and credential information.
- Fiscal notes, open records requests, and statistical reports not completed in a timely manner.
- Non-compliance with state and local tax statutes and taxpayers not remitting the correct amount of tax.

Program Goals

A. Be accountable for the distribution of aid payments to local governments.
B. Ensure that all aid payments are made on or before the scheduled distributions dates.

Program History

This program provides for the distribution of certain State-collected taxes and fees to local units of government as aid. Local aid distributions include: sand royalties, fees collected from the sale of full-privilege motor vehicle dealer license tags, mineral production taxes and assessments of delinquent taxes and penalties imposed for nonpayment of taxes on marijuana and controlled substances.

Alcoholic Beverage Control

Consequences of Not Funding this Program

- Threat to public safety particularly as it applies to minors.
- Potential influx of criminal activity masked within the industry.

Specific	<u>Statutory Basis</u>	<u>Mandatory vs. Discretionary</u>	<u>MOE/Match Rqt.</u>	<u>Priority Level</u>
	K.S.A. 75-5117 K.S.A. 41-101 K.S.A. 41-2601	Mandatory		1

Program Goals

- A. Regulate licensees in an efficient, capable, fair, and professional manner.
- B. Make it as easy as possible to voluntarily comply with liquor laws by providing educational training to licensees.
- C. Protect public safety by performing random controlled buys to increase compliance rate for the sale of alcohol to underage persons.
- D. Contribute to and protect the integrity of KDOR revenue streams by monitoring the filing and remittance of taxes on the sale of alcoholic beverages.

Program History

In 1949, the Kansas Legislature created the Alcoholic Beverage Control (ABC) to regulate the liquor industry after prohibition was lifted. ABC regulates and enforces the Liquor Control Act, Club and Drinking Establishment Act, and the Keg Tag Act. The Cereal Malt Beverage (CMB) Act requires ABC to add a State CMB stamp to locally issued CMB retailer licenses.

Tax Operations

Consequences of Not Funding this Program

- All personal, corporate and business taxation, motor fuel tax, excise tax administration, and customer service would cease.
- Delinquent tax debt would go unrecovered. No field presence would lead to an increase in non-compliance.
- Increase in tax fraud.
- No receiving and processing of tax returns.
- Inability to process and distribute \$9 billion to state and local entities, making Kansas government unable to function.
- Loss of federal highway funding due to non-compliance with International Fuel Tax Agreement.

Statutory Basis	Mandatory vs. Discretionary	MOE/Match Rqt.	Priority Level
Specific K.S.A 75-5102 through K.S.A. 75-5104	Mandatory		1

Program Goals

- A. Administer and enforce tax laws with integrity, fairness, and civility.
- B. Increase voluntary compliance with tax laws through educational opportunities and the application of strategic decision/risk management processes to support and effective discovery and collection programs.
- C. Reduce accounts receivable and ensure prompt resolution by applying the latest best practices and latest technology in automation.
- D. Enforce laws relating to the sale of cigarette and tobacco products.
- E. Continually use new technologies and systems to reduce paper-based processing.

Program History

In 1972, the Division of Taxation was created within and as a part of the Department of Revenue. The Division, headed by the Director of Taxation, administers almost all state taxes, including individual and corporate income, retail sales and compensating use, mineral severance, motor fuel, cigarette, and alcoholic beverage excise taxes. The Division also administers the Homestead Property Tax and Food Sales Tax refunds. For local governments, the Division administers retail sales, compensating use, liquor excise, and transient guest taxes.

Property Valuation

Consequences of Not Funding this Program

- Failure to maintain a uniform and equal basis of property taxation as required by the Kansas Constitution.
- Loss of audit mechanisms to monitor compliance of the appraisal system with Kansas law.

Statutory Basis	Mandatory vs. Discretionary	MOE/Match Rqt.	Priority Level
General K.S.A. 79-1404	Mandatory		1

Program Goals

- A. Provide counties, taxpayers, and staff with clear, useful, and accessible rules for valuing property, property and other tax-related issues. Ensure that uniform and accurate valuations and assessments occur.
- C. Maintain the CAMA system and provide state and county personnel training on its use through training courses and workshops, in-depth procedural manuals, and user meetings to address and resolve system functionality issues.
- D. Conduct an annual independent review of county appraisal procedures to ensure compliance with Kansas laws, rules and regulations, and related policies.

Program History

The Property Valuation Department became a division of the Department of Revenue under the executive reorganization of 1972 and provides overall supervision, training and education, assistance and support, and reporting for the Kansas ad valorem property tax system. The Director of Property Valuation has general supervision and direction of the county appraisers in the performance of their duties, and general supervision of the system of taxation throughout the state.

Division of Vehicles

Consequences of Not Funding this Program

- Violation of established federal and state statutes and regulations.
- Unable to issue driver's license/identification cards.
- Unable to track vehicle registrations, titles, and issue license plates.

Statutory Basis	Mandatory vs.	MOE/Match Rqt.	Priority Level
Specific K.S.A. 75-5110	Mandatory		1

Program Goals

- A. Provide exceptional service to customers, business partners, and stakeholders. Ensure information is presented in a consistent, efficient manner. Monitor business needs closely and adjust staffing to maintain quality service levels.
- B. Identify methods and technologies to improve efficiency for both internal and external customers, including county partners, lenders, and dealers.
- C. Adjust staffing to match business needs to decrease wait times in largest driver's license offices.

Program History

On July 1, 1972, the Division of Vehicles was moved from the State Highway Commission to the Department of Revenue. The Division administers Kansas law relating to vehicle titling and registration, motor vehicle dealer licensing, and the issuance, maintenance, and renewal of drivers' licenses.
